Secondary School is up to a six year commitment for the students and we are committed to seeing their education through. Although we are not asking for all fees up front, we do ask that you think of it as a maximum six year commitment when you are considering sponsorship. At times it is necessary for the student to change schools. Kids for Kids is committed to following them with their sponsorship until their education is complete.

I would like to sponsor a Secondary student. sponsorship fees are \$250 CDN/year. Please select method of payment.

Yearly \$250 \_\_\_\_\_
